

# Extracurricular Clubs & Activities

***Summer  
Term  
2022***

At Dawlish College we are proud of our broad extracurricular offer and of our staff who go the extra mile to provide so many enrichment opportunities for our students. Please look through the clubs that are running this term with your child(ren) and encourage them to take part in *at least one* activity, whether it is pursuing an existing interest or trying something totally new. They will be made to feel welcome! For safeguarding purposes, we keep registers of after-school attendance, so it is essential that staff know who to expect. We therefore ask you to 'sign up' your child(ren) for all clubs using [this Microsoft Form](#) that has also been sent by Parentmail and is available on the website.
